Hi Rodney,

Apologies, I didn't see this over the weekend. No issue with RAMS using the fields under the 'use at your own risk' status given your activity. In the future under that status it may just be worth a courtesy email to RAMS or Cricket. Given your minimal foot traffic on the fields I presume there would be no issue on most occasions.

Kind regards,

Dear Redlands Council,

As a model plane organisation we currently have a standing booking with Henry Ziegenfusz Park however the status of the park is currently "Use at own risk". With this status in place we are unable to use the park for the Christmas holiday period even though our hobby has nil impact on the fields as our insurance will not cover us with this status in place.

Is RAMS able to get an exemption for the "Use at Own Risk" to an "Open" status due to our hobby having a nil impact on the field.

Could you please urgently advise?

Thank,

Rodney Clarke
