Goodbye Rob and Deb Shiners

Sunday the 15th May, 2022 dawned with the customary dismal, dreary, wet and miserable day that we've been experiencing for too long now. And of course, there was no flying operations because of the precipitation.

However, all was not lost as it was the farewell to the Shiners. As the photos show it was well attended with a happy crew wishing Rob and Deb all the best in their new home and surroundings up the coast.

We even made Rob Duty Officer on his last day at the RAMS.

Wow! This has got to be a first – a smiling chef. I wonder what's going through his mind which is making him smile like the proverbial Cheshire cat. Perhaps he'll let the cat out of the bag one day!

Good News !

With all the bad news regarding price hikes in food, petrol, houses and whatever else, it was pleasing to note that the MAAA/MAAQ have decided not to lift their annual fees for the forthcoming year. And equally pleasing is the news that RAMS Committee have decided to retain the present scale of fees to members.

See the latest emailed information from our Secretary for renewing this year's membership from July 1st, 2022 to 30th June, 2023.

The departing Deb already off to wonderland on the northern coast

John B and Lynn relaxing in style

Dave, Steve W and Johnny J discussing, perhaps, the upcoming election

Rob explaining to Russell what keeps an aeroplane up in the sky and Pam rabbiting on about? You'll have to guess what!

Four of the wives who mind the home, mow the lawn, shop, cook, vacuum etc etc, while their boys fly their toys with complete abandon

Ray and Bob enjoying happy hour
